RIVER GREENS GOLF COURSE

22749 STATE ROUTE 751

River Greens Golf Course has matured into one of the most enjoyable and finest tests of golf in Ohio. The tree lined, soft, lush fairways are constantly maintained and manicured. The first nine was opened to the public in 1966 and the second nine a year later. The “original 18” The River Course and The Greens Course play to a par of 72, from the blue tees it measures 6600 yards and has a slope of 120. In 1994 the third nine, the Pines Course was completed, and is 3300 yards from the tips. This course features three par 3’s and three par 5’s, and all three nines have 4 sets of tees.
